

We have been Democracy on Zippo pads,  
burning holes to the ground.  
Braving clear airways through new-open fields.

**WAR**  
We are the ones who have to live  
with the memory that we were the instruments  
of your pigeon-breasted fantasies.  
We are inevitable accomplices  
in this travesty of dreams,  
but we are not alone.

**OUR**  
When you, sweet, sweet America,  
we will still be here...  
and you cannot change that.

We are the ropes you used to tie a rope  
you did not know a three strands  
those of us that tied a rope  
have tried to tell you what went wrong.  
Now you think you do not have to listen  
just because we will not fit  
into the uniforms of photographs  
of you at twenty-one  
does not mean you can drown us.

Where ???

Where have all the flowers gone? long time passing  
Where have all the flowers gone? long time ago  
Where have all the flowers gone?  
Young girls picked them ev'ry one  
When will they ever learn? When will they ever learn?

Where have all the young girls gone? long time passing  
Where have all the young girls gone? long time ago  
Where have all the young girls gone?  
Gone to young man ev'ry one  
When will they ever learn? When will they ever learn?

Where have all the young men gone? long time passing  
Where have all the young men gone? long time ago  
Where have all the young men gone?  
Gone to soldiers ev'ry one  
When will they ever learn? When will they ever learn?

Where have all the soldiers gone? long time passing  
Where have all the soldiers gone? long time ago  
Where have all the soldiers gone?  
Gone to grave-yards ev'ry one  
When will they ever learn? When will they ever learn?

Where have all the grave-yards gone? long time passing  
Where have all the grave-yards gone? long time ago  
Where have all the grave-yards gone?  
Gone to flowers ev'ry one  
When will they ever learn? When will they ever learn?
